

Soc 381 - Sexual Behavior, STIs & Scientific Measurement

- Class Website is tab **Soc381w** on my website: www.PopEpi.org
- Class readings are posted on this website
- Some readings require a password. It is **Soc381_2020**

Soc 381 - Sexual Behavior, STIs & Scientific Measurement

- This is a seminar on the study of patterns of sexual behavior in populations
- This seminar is not a course in sexual education!

Seminar Rules

- All discussions must be respectful of the privacy of your fellow students
- It is never appropriate to discuss you own sexual experiences
- It is never appropriate to ask a seminar participant about their sexual experiences, beliefs, or feelings

Please Feel Free to Contact Me

- Best route is via email to:
Soc.381@gmail.com
- You may leave voicemail at 917-243-4806
- If you want to talk, email me and give me a telephone number and times I can call you

For Next Week's Class

- Read the “Monitoring Epidemics” chapter posted on our website
- We will screen the documentary “And the Band Played” a history of AIDS epidemic
- Before class, you should read the review posted on our website
- This documentary has been rated PG-13, if that is a problem, EMAIL me asap.

EPIDEMICS

HIV-AIDS vs. COVID-19

- For discussion ---
 - What are **SIMILARITIES** between these two epidemics?
 - What are the major **DIFFERENCES?**
